2009/10 "Best Bets" Databases

- [ABI/INFORM Global](#)

Search nearly 1800 worldwide business periodicals for in-depth coverage of business and economic conditions, management techniques, theory, and practice of business, advertising, marketing, economics, human resources, finance, taxation, computers, and more. Expanded international coverage. Fast access to information on 60,000+ companies with business and executive profiles. Now includes The Wall Street Journal.

- [ABI/INFORM Trade and Industry](#)

This database covers more than 700 publications. It's designed to help researchers study and compare specific trades and industries, including telecommunications, computing, transportation, construction, petrochemicals, and many others. Every major industry is represented, and all the publications are available in full text.

- [Business & Company Resource Center](#)

Provides company profiles, company brand information, rankings, investment reports, company histories, chronologies, and industry news and information.

- [Business Source Premier](#)

Business Source Premier is one of the definitive scholarly databases in the field of business due to its depth and coverage. The database provides full text articles from more than 2,300 journals, including over 1,100 peer reviewed journals, and indexing for an additional 1,000 titles. Full text coverage dates vary, but some go back to the first issue of the journal.

- [LexisNexis Academic](#)

LexisNexis Academic provides access to full-text news, business, and legal publications, using a variety of flexible search options. One of the most heavily used databases in higher education, LexisNexis Academic is available at over 1,500 libraries serving over 8 million students and faculty. It is a standard element in many research and information literacy programs.

- [Mergent Online](#)

Mergent online provides U.S. and international company data ranging from comprehensive information on companies that is downloadable in PDF, Word, or Excel to one page profiles of over 10,000 U.S. companies. Provides data including business description, history, property, subsidiaries, officers and directors, long-term debt and capital stock. Financial statements are presented in "as-reported" form and in native currencies, maintaining the full integrity of this critical information.

- Standard & Poor's NetAdvantage

Covers markets, industries, stocks, bonds, and dividends as well as the S & P Analysis. Provides access to 11 key financial publications: Bond guide; Corporation records; Dividend record; Earnings guide; Industry surveys; Mutual fund reports; The Outlook; Standard & Poor's Register; Stock guide; and the Stock reports.
